

Welcome to our updated website and the new TDS brand

published 06/07/2018

We are proud to announce the launch of our refreshed brand and redesigned website. These updates reflect of our growth and the evolution of our firm, and are a visual representation of our progress, as we forge a strong path forward.

As the first tenant and founding partner in True North Square in downtown Winnipeg this summer, this move required both leadership and collaboration, two key elements that define and distinguish TDS. Through the use of highly efficient space design and leading edge technology, TDS will consume fewer resources and will step up to the challenge of creating an environmentally friendly workplace.

Our new visual identity incorporates design elements such as brighter colors, which showcases our distinctive culture. In the end, what is most important is our reinvigorated commitment to clients, downtown Winnipeg and Manitoba.

We welcome you to explore our updated website to view our **people**, read the latest **legal updates**, upcoming **events and seminars**, **cases and transactions**, and more. Along with our redesigned website, our quarterly e-newsletter will also get a new look. Click **here** to subscribe.

Thank you for your continued support. As always, **we value your feedback.**
