

Sacha R. Paul, Sheryl Rosenberg and John D. Stefaniuk, K.C. Recognized as Leading Lawyers in the Lexpert Special Edition: Mining 2023

published 10/23/2023

Congratulations to Thompson Dorfman Sweatman LLP lawyers Sacha R. Paul, Sheryl Rosenberg and John D. Stefaniuk, K.C. for their recent recognition as Lexpert-ranked mining lawyers in the Lexpert Special Edition: Mining 2023. This 2023 edition highlights Canada's top-performing Lexpert-ranked lawyers who actively provide services to various clients in the mining industry.

Sacha R. Paul's practice is focused primarily in Aboriginal law and public/administrative law. He has experience working for resource developers, such as mining and forestry companies, in engaging with First Nations and Metis communities, particularly when it comes to future resource developments or the impacts of past developments.

Sheryl Rosenberg practises primarily in the area of environmental law, providing clients with advice concerning environmental approvals and licensing, mining and mine rehabilitation, natural resource development, regulatory compliance, contaminated sites and litigation of environmental matters.

John D. Stefaniuk, K.C. engages in a broad practice with emphasis on project and property development, natural resources environmental law, and energy. He acts directly and as local agent for proponents, developers, and financiers of natural resource, and property projects. He has experience in a wide range of resource, environmental, land use, licensing, and government relations matters.

Whether our clients are looking to expand globally, protect intellectual property, receive Scientific Research & Experimental Development Tax Credits, ensure they are compliant with environmental protection requirements, receive advice on Indigenous Rights, purchase, prepare a contract or find an international partner, **TDS can help**. TDS acts as honorary counsel for the Mining Association of Manitoba.

The **Lexpert Special Edition: Mining 2023** includes articles on mergers and acquisitions in the mining industry, ESG, and issues involved in mining in a changing world.
