Winnipeg, MB: Thompson Dorfman Sweatman LLP was proud to congratulate Melissa Beaumont on being named among Lexpert Rising Stars 2023: Leading Lawyers Under 40 in Canada in **labour and employment law**. This distinction is awarded to lawyers who are identified as leaders in both their legal practice and in their communities. This is a reflection of Melissa's remarkable accomplishments.

Our labour and employment lawyers handle employee-side work, reviewing employment contracts and severance packages and serving as external legal counsel to a national union and local employee association. This dual perspective allows her to empathize with individuals' workplace experiences.
