n
ipeg Festival is one of the largest Pride celebrations between Vancouver and Toronto, attracting over 40,000 locals and guests from all across the Canadian Prairies, Northwestern Ontario, and North-Central United States. The festival takes place at The Forks and showcases a diverse range of on-stage performances, talented artisans, vendors, engaging activities for youth, lively beer gardens, and an abundance of other attractions.

At TDS, **diversity is a core value** that shapes our approach to client services, recruitment, and community involvement. We believe that embracing diverse identities, experiences, and backgrounds enhances our ability to deliver exceptional legal services. Our **Equity and Accountability Council** is dedicated to creating policies and programs that promote a diverse and equitable workplace.

While celebrating the rights and freedoms of 2SLGBTQ+ individuals during Pride, we also acknowledge the ongoing challenges faced by the 2SLGBTQ+ community locally and globally. Throughout Pride, we encourage everyone to learn about the Pride movement, value our differences, and support a community where everyone can thrive both

professionally and personally.
