Lawyer

Mason is a lawyer in our Portage la Prairie office. He was hired as an Articling Student after graduating from the Robson Hall Faculty of Law in 2016 and has continued in that office as an Associate.

Although Mason has a particular interest in corporate and commercial matters and assisting local businesses in managing their legal affairs, he maintains a broad practice and is able to serve clients in many different aspects of the law. Additional practice areas include municipal law, real estate transactions, wills, estates and succession planning.

Mason operates the Christianson TDS branch office in MacGregor and can be found there every Tuesday.

Prior to beginning his career at Christianson TDS, Mason was able to obtain unique student work experience. One summer was spent as an editor for the Asper Review of International Business and Trade Law. Mason spent his other summer as a legal clerk for an international shipping company, splitting his time between corporate offices in Houston, Texas and Leer, Germany.

In addition to his legal practice, Mason is a member of the Canadian Armed Forces Army Reserves. He serves in 38 Combat Engineer Regiment in Winnipeg.

Mason is also an avid sports fan, participating in a variety of different sports. He is a member of the Wombats Rugby Club, which won the Rugby Manitoba Premier Division Championship in 2018.
